Join us at Public Open House No. 1

Tuesday, February 21, 2023

4:00 – 6:00 p.m.

Wasilla Public Library, Multi-Purpose Room

The Department of Transportation and Public Facilities (DOT&PF) in partnership with City of Wasilla, the Mat-Su Borough (MSB), and the Federal Highway Administration (FHWA) invite you to the first Public Open House for the Hermon Road Extension and Upgrade: Parks Highway to Palmer-Wasilla Highway Project.

- Come and learn more about the project
- View the preliminary design
- Ask questions and share your comments with the project team

The project is located in one of the most congested areas of the Mat-Su Borough highway network and is within the fastest growing region in the state.

The project will provide for increased network connectivity and help alleviate congestion on and around the Parks Highway, which currently operates at capacity in this area and is a critical interstate route. Commercial areas adjacent to the project continue to be built, increasing traffic volumes on Hermon Rd and degrading intersection function at the Parks Highway.
